

Privacy Notices

Lands Energy is committed to providing visitors to our Web site, respect of their privacy. This page summarizes the privacy policy and practices on all Lands Energy or company owned Web sites.

- Lands Energy Web sites do not automatically gather any specific personal information from you, such as your name, phone number or e-mail address. We would only obtain this type of information if you supply it by sending us an e-mail or registering in a secure portion of the site.
- All personal information created, held or collected by this Lands Energy is protected under the federal [Privacy Act](#). This means that at some point during the collection of information you will be asked for consent to collect your information or advised of the authority for such collection. You will be informed of the purpose for which it is being collected and how to exercise your right of access to that information.
- Lands Energy employs software programs to monitor network traffic to identify unauthorized attempts to upload or change information, or otherwise cause damage. This software receives and records the Internet Protocol (IP) address of the computer that has contacted our Web site, the date and time of the visit and the pages visited. We make no attempt to link these addresses with the identity of individuals visiting our site unless an attempt to damage the site has been detected.
- Lands Energy does not normally use "cookies" to track how our visitors use this site or to determine sites previously visited. If cookies are in use and you have your cookies notification option activated on your browser the system will notify you before any cookies are used so that you may refuse them. (A "cookie" is a file that may be placed on your hard drive without your knowledge by a Web site to allow it to monitor your use of the site.)
- Visitor information is not disclosed to anyone except Lands Energy personnel who need the information to carry out responsibilities of their job. Any further disclosure of the personal information you give us will be in accordance with the federal [Privacy Act](#).

Copyright/Permission to Reproduce

Materials on this Web site were produced and/or compiled by Lands Energy for the purpose of providing individuals with direct access to information about the sales, solutions and services offered by Lands Energy.

The material on this site is covered by the provisions of the [Copyright Act](#), by Canadian laws, policies, regulations and international agreements. Such provisions serve to identify the information source and, in specific instances, to prohibit reproduction of materials without written permission.

Non-commercial Reproduction

Information on this site has been posted with the intent that it be readily available for personal and public non-commercial use and may not be reproduced, in part or in whole and by any means, without charge or further permission from Lands Energy.

Commercial Reproduction

Reproduction of multiple copies of materials on this site, in whole or in part, for the purposes of commercial redistribution is prohibited except with written permission from Lands Energy's copyright administrator.

Third-party Materials

Some of the materials and graphical elements found on the Lands Energy Web sites are subject to copyrights held by other organizations. This is particularly true of www.techwarehouse.com and the external organizations as part of the collaborative website arrangement. In such cases, some restrictions on the reproduction of materials or graphical elements may apply and it may be necessary to seek permission from the rights holder prior to reproducing the material.

If you are not satisfied with our response to your privacy concern, you may wish to contact Lands Energy directly.
